The APR, interest rates and offer duration we offer are determined by an analysis of your application details along with your credit and repayment history (as verified by independent credit reference agencies). This analysis may mean that you don't receive the advertised representative APR as detailed in the Summary Box below. Over half of our customers will receive our advertised representative APR. If you don't receive the representative APR, the maximum APR you will receive is $26.9 \%$.

| SUMMARY BOX <br> The information contained in this table summarises key product features and is not intended to replace any terms and conditions. |  |  |  |
| :---: | :---: | :---: | :---: |
| APR | Representative 19.9\% APR (variable) <br> Rates from 19.9\% APR to 26.9\% APR depending on individual circumstances |  |  |
| Interest Rates | Introductory Rate | Monthly Rate | Annual Rate Effective |

| Interest Free Period | - Maximum 56 days for purchases if you pay your balance in full and on time, and have paid the previous month's balance in full and on time. <br> - There is no interest free period on cash withdrawals, cash transactions, balance transfers or money transfers. |  |  |
| :---: | :---: | :---: | :---: |
| Interest Charging Information | You will not pay interest on new purchases if you pay the full balance on your last statement by your payment due date. Otherwise, the period over which interest is charged is as follows: |  |  |
|  |  | From | Until |
|  | Purchases, Cash withdrawals, Cash transactions, Balance transfers and Money transfers | From date debited to your account | Until repaid in full ${ }^{\dagger}$ |
|  | If the account is not fully cleared, interest will be charged on the average daily balance until full payment is made and credited to your account. Therefore, the longer you take to make a payment, the more interest will be charged. If you pay the balance in full, any interest charge for the period from the previous statement to the date of full repayment will be debited the following month. |  |  |
| Allocation of Payments | If your account is in arrears, we will clear these first (starting with the oldest) before paying off the amount due from your most recent statement. <br> When you pay us we use the money to pay off the items with the highest interest rates first. If there is more than one item at the same rate, we pay off the item at the rate which ends first. <br> For further details, please refer to section 6. Paying off your balance, of the general conditions. |  |  |
| Minimum Repayment | Your minimum payment will be the greater of: <br> - the total of all interest and default fees charged on your statement plus $1 \%$ of the new balance shown on your statement plus any arrears carried over from your previous statement; or <br> - $£ 25$ plus any existing arrears carried over from your previous statement; or <br> - the amount you owe over your credit limit including any over limit fees. <br> If you only make the minimum payment it will take longer and cost more to clear your balance. |  |  |
