Depending on the level of cover chosen, the products described in this policy document meet the demands and needs of those customers who wish to ensure they have breakdown assistance cover in the event of a mechanical breakdown occurring to the covered vehicle during the period of cover.

Policy summary

This policy summary is an important document and contains a summary of roadside assistance cover afforded to you under your policy, which you should read. It does not set out the full terms and conditions of the cover, which can be found in the policy wording, full details of which are set out from page 12 onwards in this booklet.

Please Note: You may need to review and update your cover periodically to ensure it remains adequate.

Policy provider

Tesco Bank Breakdown Cover is provided by RAC Motoring Services and/or RAC Insurance Limited.

Type of insurance and cover

Depending on the level of cover purchased you may be entitled to some or all of the different types of cover, which are summarised overleaf with the lowest level of cover shown first; your Policy Schedule will tell you which level of cover you have. This is a vehicle based policy which means that it is the vehicle (and its driver and occupants) which are entitled to the level of cover shown below at the time of a breakdown.

Policy requirements and limitations

A. Service in the UK and Abroad

Credit card details

We will require **your** credit card details if **we** arrange a service for **you** which is not covered by, or exceeds, any levels specified in the **policy**. If **you** do not provide **us** with **your** credit card details **RAC** will not be able to arrange or provide certain services which will be notified to **you** when credit card details are requested.

Caravans and trailers

The **vehicle** restrictions in this **policy** apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7.6m. If the **vehicle** which has suffered a **breakdown** is towing a caravan or trailer and **we** provide recovery, the caravan or trailer will be recovered together with the **vehicle** to a single destination. Other than as set out in this paragraph caravans and trailers are not covered by this **policy**.

We do **our** best to find solutions to motoring problems, but **we** regret **we** cannot arrange a replacement caravan or trailer in the event of **breakdown** or **accident** damage which cannot be repaired. **We** cannot guarantee to provide a vehicle with a tow bar. It may become necessary to repatriate a caravan or trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any **claim you** may have for death or personal injury, if **we** are in breach of the arrangements under this contract, **we** will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contacts, or for any business losses.

We do not guarantee the provision of any of the benefits under **your policy**, if there is anything beyond **our** reasonable control or the reasonable control of any service provider which prevents **us** or a service provider from providing that benefit. Benefits may be refused if **you** or any of **your party** behaves in a threatening or abusive way to any persons providing services under this **policy**.

B. Service in the UK only

Battery related faults

For battery related faults **your policy** entitlements are as follows:

- **RAC's** initial attendance for a battery related fault is covered by **your policy**;
- The fitting of any parts or batteries purchased by **you** prior to **our** attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary callouts;
- **RAC** will test **your** battery at that initial **breakdown** attendance. If the battery is no longer serviceable and so fails the test **you** will be advised to replace it; and
- If a condemned (non serviceable) battery is not replaced, a charge of no less than £59 will apply for further assistance to a battery related fault. The charge will be payable by credit or debit card before assistance can be arranged.

C. Service abroad only

Vehicle condition

Your vehicle must be roadworthy and in good mechanical condition when **you** apply for cover and **you** must keep it in that condition.

Fraud

If any **claim** is found to be fraudulent in any way, **your policy** will be cancelled immediately and all **claims** forfeited.

Motor insurance

Euro Plus is not motor vehicle insurance. **We** strongly recommend **you** tell **your** motor insurers before taking **your vehicle** abroad. If **you** do not, **your** insurance **policy** may only cover **you** for damage **you** might cause to other people or their property (third party cover). This means that **you** will not be covered for any loss or damage to **your vehicle**. **Your** insurers may also need to know if **you** are towing a caravan or trailer.

Availability of service in Eastern Europe

Every effort is made by **RAC** to make sure that a good quality service is provided in Eastern European countries but this may not necessarily be to the same standards as in Western Europe. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc. **You** should also be aware that unleaded fuel may not be widely available.

Service in certain countries may become disrupted or unavailable due to prevailing political, economic, infrastructural or environmental conditions, for which **RAC** cannot accept liability. Information can be obtained from the Foreign & Commonwealth Office – www.fco.gov.uk

Important self-drive hire car information

We will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, **your vehicle**, if there is one available. If **you** were travelling in a multi-purpose **vehicle** (also known as a minivan or a people carrier) or similar **vehicle** **we** may arrange two hire cars. **We** will only arrange this if there are two qualified drivers in **your party**. Otherwise, **we** will arrange alternative means of transport.

Self-drive car hire arranged under **your** cover will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other driving licence restrictions. The driver must also have held a full **UK** driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. Switch cards and debit cards are not acceptable. If **you** leave a hire car at a different location to the one arranged by the **RAC** control centre **you** must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the **collision damage waiver**.

In some parts of Europe hire cars are not allowed to cross national borders. In Greece and eastern Europe international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete **your** journey. A car hired abroad must not be brought into the **United Kingdom**. A second car hire will be arranged for the **United Kingdom** part of **your** journey.

We cannot guarantee a hire car will be available.

We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans.

We will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with **your** pre-booked ferry, etc. **You** may have to collect a hired vehicle from the nearest available place of supply.

Special requirements for vehicles with over nine seats

The supply of minibuses as a replacement vehicle can often prove difficult. When one is available the following regulations apply:

Drivers must be at least 21 years old and have a full year's car driving experience. Special documents and tachographs are mandatory throughout the EU. For more information contact **your** local Department of Transport Area Office for details.

Repayment of credit

You must pay back to **us** on demand:

- any costs **we** have paid for which **you** are not covered under **your policy**,
- the cost of any spare parts supplied.

Spares dispatch

After **you** have asked the appropriate **RAC** control centre to dispatch parts, **you** are responsible for paying for them in full, even if **you** later obtain them locally.

We will arrange to dispatch parts as quickly as possible but delays will occur at weekends and bank holidays. **We** will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

Service providers

Unless the services are provided by **RAC** patrols or contractors acting on **our** instructions and on **our** behalf, **we** do not give any guarantee as to the services provided by garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose emergency services **we** arrange on **your** behalf and/or pay for under Euro Plus – they do not act as **our** agents or subcontractors and **we** do not accept responsibility for their acts or omissions. **You** should check that any repairs to **your vehicle** are carried out to **your** reasonable satisfaction.

General exclusions applying to this policy

16. Any **claim** which **you** have made successfully under any other policy of insurance held by **you**. If the value of **your claim** is more than the amount **you** can get from **your** other insurance **we** may pay the difference subject to these **policy** limits and exclusions.
17. The cost of any transportation, accommodation or care of any animal. Any onward transportation of animals is at **our** discretion and solely at **your** risk. **We** will not insure any animal during any onward transportation **we** may undertake.
18. Any period outside **your period of cover**.
19. Any **vehicle** other than a car, motor caravan, minibus fitted with not more than 17 seats including driver, light van, estate car, MPV or 4 x 4 sport utility **vehicle** must conform to the following specification:

 - b) maximum overall dimensions of: length 5.5m; height 3m; width 2.3m (all including any load carried).

The **vehicle** restrictions apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7.6m. If the **vehicle** which has suffered a **breakdown** is towing a caravan or trailer and **we** provide recovery, the caravan or trailer will be recovered together with the **vehicle** to a single destination. Other than as set out above caravans and trailers are not covered under this **policy**.

If the **vehicle** requires repatriation **we** will arrange for repatriation of the caravan or trailer as well.

Vehicle age

The **vehicle** must have been no more than 16 years old at the date **you** first bought **your** Tesco Bank Breakdown **policy**.

There is no upper age limit restriction for **vehicles** once **you** have purchased cover, provided **you** continue to renew this **policy** and continue to pay **your** premium.

Each person must occupy a separate fixed seat fitted during **vehicle** construction and to the manufacturer's specification.
23. Repairs to or Recovery of **your vehicle** if it is unattended.
24. Any personal effects, valuables or luggage left in **your vehicle** or in any trailer, boat or caravan or any other item being towed by or used in conjunction with the **vehicle**. These are **your** responsibility.
25. **Specialist equipment** costs. **We** will however arrange for the specialist services if needed, but **you** will have to pay for any additional costs direct to the contractor.
26. Any costs which are not directly covered by the terms and conditions of this **policy**.
27. **Vehicles** which were broken down or unroadworthy at the start of this **policy**.
28. It is a legal requirement that **vehicles** used on, or recovered from, a public highway must have a valid current tax disc. Where no current tax disc is displayed **we** will attempt to fix **your vehicle** at the road side but will not provide any other service or benefit.

How to obtain assistance in the UK

If **you** are unfortunate enough to break down please follow these simple steps:

- Call **0800 003 001** (freephone) from the **UK**;
- Have to hand **your policy** number and **vehicle** registration; and
- Advise the operator of the location of **your vehicle** and the nature of the fault.

RAC will then advise how to proceed and what form of assistance would be the most appropriate.

Remember to always call **RAC** first. Please do not go ahead and make **your** own arrangements as **RAC** cannot reimburse costs incurred without prior authorisation.

Calls may be recorded and/or monitored. Customers with hearing difficulties will need to prefix 18001 before dialling the relevant number to be connected to Type talk or use the SMS facilities on **07855 828282**.

Services in the UK

Cover applies to **vehicles** registered with the relevant **Vehicle Licensing Agency** only. Where personal cover is not included, service will be provided only to the insured **vehicle** specified on the **Schedule** relating to this **policy** or to a vehicle that has been notified to and acknowledged in writing by **the administrator** as being a permanent substitution for the previous insured vehicle. The policyholder should, therefore, ensure that such notification is made immediately if a substitution occurs to avoid service being refused.

Section A – Tesco Bank Value Breakdown Cover

Roadside

If **you** are stranded on a public highway (or other road or area to which the public has the right of access) as a result of a **breakdown to your vehicle**, **we** will send an **RAC** patrol or contractor to help **you**.

We will try to repair **your vehicle** at the roadside. Roadside includes labour at the scene of the **breakdown** (but not labour at any garage to which the **vehicle** is taken).

If **we** cannot repair the **vehicle** at the roadside, and **we** believe repairs are unwise or cannot be completed within a reasonable time, **we** will take the **vehicle** and up to 8 people to a destination of **your** choice within 10 miles of the scene of the **breakdown**. If **you** have no preferred destination, **we** will take the **vehicle** to a nearby garage. If **you** wish the **vehicle** to be taken to any other destination, **you** will have to pay for the towage costs for the whole distance.

Roadside does not cover:

- **Breakdowns** which would be prevented by routine servicing of **your vehicle** as recommended by the manufacturer;
- Routine servicing of the **vehicle**;
- Any labour other than that incurred at the roadside including, without limitation, garages;
- Replacing tyres or windows;
- Missing or broken keys. **We** will try to arrange the services of a locksmith but **you** will have to pay for them;
- The cost of ferry crossings, road toll and congestion charges;
- **Vehicles** being demonstrated or delivered by motor traders, or used under trade plates;
- **Vehicles**, which in the reasonable opinion of **our** patrol or contractor, had broken down or were unroadworthy before **you** took out **your policy**;
- **Vehicles** which break down within 1/4 mile of **your home** address or where **you** normally keep the **vehicle**;
- Contaminated fuel problems. **We** will arrange for **your vehicle** to be taken to a local garage for assistance, but **you** will have to pay for the work carried out;

- The cost of parts, fuel or other supplies;
- Any **vehicle** storage charges incurred when **you** are using **our** services;
- **Breakdown** caused by or following an **accident**, fire, theft or act of vandalism. If **you** call **us** for assistance following such an incident **you** will be liable to pay **us** for removal. (Subject to the terms of **your** insurance **policy**, **you** may then be able to reclaim these costs through **your** insurance);
- The tow or transport of any **vehicle**, which, in **our** reasonable opinion, is loaded beyond its legal limit;
- Any **vehicle** in a position where **we** cannot work on it or tow it, or wheels have been removed. **We** can arrange to rectify this but **you** will have to pay the costs involved; or
- Any animals in **your vehicle**, please note that their onward transportation is at **our** discretion and solely at **your** risk. **We** will not insure any animal, including livestock in transit, during any onward transportation **we** undertake.

Section B – Tesco Bank Finest Breakdown Cover

As well as the services detailed under Section A **you** are also entitled to the following:

Recovery

Recovery has the same terms and conditions as Roadside but with the following variations:

If **we** cannot repair **your vehicle** locally within a reasonable time, **we** will take the **vehicle** and up to eight people **home** or to a single address anywhere else within the **UK**. If there are more than five people this may require two separate vehicles. An adult must accompany any persons under the age of 16.

You can use Recovery if **you** are ill, and there are no passengers who can drive the **vehicle**, so that **you** cannot continue **your** trip. **You** must show **us** a doctor's medical certificate confirming **your** inability to drive (in these cases, **we** will provide this service at **our** reasonable discretion).

Residents of Northern Ireland are also entitled to be recovered from the Republic of Ireland.

Recovery does not cover:

- Any **vehicle** which in **our** reasonable opinion was broken down or unroadworthy at the time **you** took out **your policy**;
- The use of Recovery as a way to avoid paying repair costs;

- A second Recovery if:
 - a) the original fault has not been repaired properly by a party other than **RAC**.
 - b) **RAC** have advised **you** that it is a temporary repair.
 - c) the desired destination cannot accept the **vehicle** due to company opening hours or other restrictions.

If a second Recovery is required this service can be provided but a charge will be made dependent on the service required, time of day and distance. These charges will be payable by credit/debit card prior to the relevant service being provided.

- Service within 24 hours of commencement of this **policy**.

At Home

At Home has the same terms and conditions as Roadside but with the following variations:

At Home allows **you** to use Roadside within 1/4 mile of **your home** address or where **you** normally keep the **vehicle**.

At Home does not cover:

- The rectifying of failed or attempted repairs.
- The reimbursement of taxi fares.
- Service within 24 hours of commencement of this **policy**.
- Recovery of the **vehicle**.

Onward Travel

Onward Travel benefits must be arranged at the time of **breakdown** and cannot be requested later.

You are entitled to one of the following extra benefits once **we** have decided that **we** cannot repair the **vehicle** locally:

- Replacement car hire;
- Alternative transport costs; or
- Hotel accommodation.

You can use the Onward Travel benefits from **your home** address or within a quarter of a mile of **your home** address. This excludes incidents where **we** have been called to rectify failed repairs.

Replacement car hire

We will pay for:

- Up to one day's hire cost of a manual car of similar cubic capacity to **your vehicle** up to 1600cc if **your vehicle** is being repaired.
- Insurance (including **collision damage waiver**).

Replacement car hire is subject to availability and **our** supplier's terms and conditions, which will usually include:

- Age limits. Drivers must be at least 21 years of age;
- The need to have a current driving licence, and, if held, a driving licence photo card, with **you**;
- Limits on acceptable driving licence endorsements;
- The need to provide a valid credit card number. (Alternatively, the car rental provider will require a deposit of no less than £50 and may also undertake a simple credit check, before releasing the **vehicle** to **you**.)

Hire cars are not usually available with a tow bar, and therefore **your** caravan or trailer will, if eligible, be recovered under Recovery with **your** broken down **vehicle**.

After taking a fair and reasonable view of the circumstances, **we** may decide that a hire car is not a practical solution, and hotel accommodation or alternative transport will be provided instead.

If **you** require a second or any other type of vehicle **we** will try to arrange this for **you** and **you** will have to pay for any additional costs.

Alternative transport

We will reimburse **you** for standard class rail or other transport of **our** choice for up to eight people to reach the end of their journey within the **UK**. **We** will pay up to £100 a person or £300 for a group whichever is less.

Hotel accommodation

We will arrange and reimburse **you** for one night's bed and breakfast for up to 8 people in a hotel of **our** choice.

We will pay up to £50 a person or £300 for each party whichever is less.

You will have to pay for any extra hotel or transport costs.

Special medical assistance

Onward Travel also provides special medical assistance. If **you** or one of **your** passengers is taken into hospital more than 20 miles from **home we** will arrange and pay for overnight accommodation for the other passengers, as described in 'Hotel accommodation'.

We will also arrange for an ambulance to take the patient to a local hospital near to their **home** once medical permission has been given. Special medical assistance is not available for planned hospital visits.

We will pay up to £50 a person or £300 for each party whichever is less.

You will have to pay for any extra hotel or transport costs.

Onward travel does not cover:

- Other charges arising from **your** use of the hire car, such as fuel costs, deposit, any insurance excess charges, collecting and returning the car and any costs due to **you** keeping the car after the agreed period of hire (**you** must settle these charges directly with the supplier);
- A second use of the Onward Travel benefits if the original fault has not been properly repaired by a third party or if **we** have advised **you** that it is a temporary repair;
- If **you** are unfortunate enough to have an incident with the hire car and **you** make an insurance **claim**, **you** will be responsible for paying any excess;
- Service within 24 hours of commencement of this **policy**;
- Any of the Onward Travel benefits, as stated above, before **our** attendance of the **breakdown** incident; or
- Any of the Onward Travel benefits, as stated above, if the **vehicle** is not displaying a valid tax disc.

How to obtain assistance abroad

1. Euro Plus

Euro Plus applies to **vehicles** registered with the relevant **Vehicle Licensing Agency** and operates throughout the **territory**.

To obtain help in the event of a **breakdown, accident**, fire or theft, or if the only qualified driver is medically unfit to drive, please call the **RAC** control centre listed under section 2 below and state that the **vehicle** has Euro Plus and give the following information:

- **Your** name;
- **Your** location and telephone number – if **you** are on a motorway see also section 3 on the following page; and
- The make and registration number of the **vehicle**.

2. Please call:

UK	0800 003 001 (freephone)
France & Monaco	0800 159 229 (freephone within France and Monaco only) +33 47 243 6947 (pay call)
Republic of Ireland	1800 646 543 (freephone)
Rest of Europe	+33 47 243 6947 (pay call)

If **you** are calling from a **UK** mobile phone, **your** network provider may not allow **you** to call a freephone 1800 number. Please check with **your** service provider prior to travelling. Customers who are affected can contact **us** on **+44 161 452 3201**. **Your** network provider may charge **you** for this call.

Calls may be recorded and/or monitored. Customers with hearing difficulties will need to prefix 18001 before dialling the relevant number to be connected to Type talk or use the SMS facilities on 07855 828282. These services are not available in Europe.

3. Breakdowns on motorways

On continental motorways (including service areas) **you MUST** use the roadside emergency telephones. **You** cannot call **RAC** control centres from these. **You** will be connected to the police or authorised motorway service, who will send a **breakdown** recovery vehicle. However, this will only be to the recovery company's own depot if they cannot fix the **vehicle** – contact **RAC** using the numbers at section 2 on the previous page as soon as **you** can, if possible from the recovery company's depot.

You may have to pay immediate labour and towing charges – an authorised tariff is normally applicable. **You** should obtain a receipt to **claim** a refund (restricted up to the total claims limit) on **your** return **home**.

Mobile and car phones

RAC will not re-imburse the cost of any telephone calls **you** make in connection with any **breakdown** under this **policy** (including mobile phone calls).

It may not be possible for an **RAC** control centre to call a mobile or car phone but when it is, **you** may still have to pay the cost of any international call. Some service providers charge for calls to freephone numbers. The regulations on the use of mobile and car phones vary from country to country. Please check with **your** service provider that **your** phone meets the requirements and standards for the countries in which **you** are travelling.

Services whilst abroad

Section C – Tesco Bank Euro Plus

As well as the services detailed under Sections A and B **you** are also entitled to the following:

Policy description

There is an overall limit of £2500 per **claim** applied to **claims** relating to the Euro Plus level of cover.

Service in the UK en route to the territory

If **you** are stranded on a public highway through **breakdown** of **your vehicle** on the outward journey from **home** to **your** point of departure from the **UK** or on the inward journey from **your** point of entry to the **UK**, to **home**, **we** will provide services as if **you** were abroad.

In addition **we** will pay a contribution of up to £800, towards the cost of self-drive hire car including **collision damage waiver** and replacement Green Card as necessary, to complete the planned journey if **RAC** confirms **your vehicle** cannot be repaired within 24 hours.

Service whilst abroad

You are covered for any number of trips, each up to 90 days in duration but not for longer stays and provided the outward and return journeys are completed in the **period of cover**.

Roadside assistance

In the event of a **breakdown** **we** will pay for the following subject to the limitations for each section as described in the following terms and conditions:

We will pay for:

1. Attendance of local **breakdown** or garage services to repair the **vehicle** at the roadside if possible; or
2. Tow of the **vehicle** from the place of **breakdown** or **accident** to the nearest local repairer where **you** may arrange repairs and either:
 - a) a contribution towards labour charges at a garage (restricted up to the total claims limit) if it is possible to effect the repairs necessary to enable the **vehicle** to continue the journey on the date of **breakdown**; or
 - b) inspection fees, in the event of a **breakdown**, to confirm that the **vehicle** cannot be repaired by **your** return travel date and **your** request for assistance will include authorisation for **us** to arrange this; and

3. Storage charges for the **vehicle** while awaiting repair or repatriation; and
4. The cost of wheel changes but not for replacement tyres.

We will not pay for:

- Any labour costs other than those incurred at the roadside. **We** will not pay labour costs at any garage to which the **vehicle** is taken other than under paragraph numbered 2; or
- repair costs, including labour, if the **vehicle** was in a road traffic **accident**, damaged by fire or stolen or is, in **our** reasonable opinion, uneconomical to repair; or
- the cost of parts used for roadside or garage repairs; or
- the cost of any repairs not directly necessary to enable the **vehicle** to continue the journey on the date of the **breakdown**; or
- the cost of any other supplies, including but not limited to **specialist equipment**.

If **we** cannot repair the **vehicle** within 12 hours of being notified of a **breakdown**, then **we** will pay for either:

a) Additional accommodation expenses

We will pay up to £30 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while **you** wait for **your vehicle** to be repaired, providing the appropriate **RAC** control centre can confirm repairs will take more than 12 hours, or if it is to be repatriated to the **United Kingdom**.

We will not pay for the costs of meals or any other costs that are not specified above.

Or

b) Journey continuation or return home

If the **RAC** control centre can confirm repairs to **your vehicle** will take more than 12 hours, or if **your vehicle** is to be repatriated to the **United Kingdom**, a contribution (restricted up to the total claims limit) to travel expenses will be made to allow **you** to either:

- Continue the planned journey during the period **your vehicle** is not roadworthy; or
- Return **home** by direct route.

Expenses can comprise of self-drive car hire up to 14 days per **claim**, including **collision damage waiver** (see “Important self-drive hire car information”) and replacement Green Card as necessary, or second/standard class rail, or a combination of both.

RAC will in its reasonable discretion decide which course of action to adopt, but **RAC** will take into consideration **your** preference.

You must collect the **vehicle** when repaired as once the **vehicle** is repaired and **you** have been notified, **RAC** will not pay any further expenses other than the costs of collection.

This benefit is also available if **your vehicle** is stolen and not recovered within 24 hours of reporting the matter to the police. A police report or crime reference number must be obtained. However, this benefit will cease if **your vehicle** is recovered in a roadworthy condition.

We will not pay for:

- Fuel, oil, personal insurance, any collection charge if a hire car is left at a different location to that arranged or any other costs in connection with a self-drive hire car;
- The cost of any car hire beyond the period agreed with the appropriate **RAC** control centre;
- Any car hire expenses after **your vehicle** is repaired except for the direct journey to return and collect it;
- First class rail fares;
- Any costs under this benefit if they are for a service **you** used at the same time as the opposite section “Additional accommodation expenses;”
- International drop charges where a vehicle hired from abroad is dropped within the **UK**;
- The costs of hiring a motorcycle; or
- Any hire costs not arranged through **RAC** or agreed by **RAC**.

You will have the following cover if **RAC** can confirm that repairs cannot be completed by **your** planned return date to the **United Kingdom** and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the **UK** market value of **your vehicle** according to Glass’s guide or other appropriate industry standard used by **RAC**.) Cover is available for either:

a) Vehicle repatriation

We will pay for the cost of taking the **vehicle** by road transporter from abroad to **your home** or chosen **UK** repairer for repair.

We will also pay the costs of packing and freighting **your** baggage if the **vehicle** is declared a ‘Write-off’ by the **vehicle’s** insurer.

When repatriation is authorised it normally takes 10-14 working days for delivery to a **UK** address from most west European countries. At busy times and from east European countries it may take longer.

If the **vehicle** has been fitted with a roof box or bicycle rack, **you** must remove and place it inside the **vehicle**. The roof box keys need to be left with **your vehicle** keys.

We will not pay for:

- **Claims** for any repatriation not authorised by the appropriate **RAC** control centre;
- The cost of repatriation if this is uneconomical;
- The cost of repatriation if **your vehicle** is roadworthy;
- Any **claim** if **your vehicle** is being repatriated and Customs in any country find its contents are breaking the law;
- Any further costs in connection with the **vehicle** once declared a write-off by **us** or **your** motor insurer.

Or

b) Collection of vehicle from abroad

We will pay up to £600 for the following costs for one person to collect **your vehicle**, repaired abroad after a **breakdown**:

- Standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection;
- Additional homeward cross channel ferry or rail fare for the repaired **vehicle** (calculated by taking the actual fare less the value of any refundable unused homeward portion of **your** original cross channel ticket);
- Up to £30 per night for single room hotel accommodation necessary to complete the round trip (limited to room only).

We will not pay for:

- First class rail fares;
- The cost of any meals;
- The costs of more than one person.

Note: The appropriate **RAC** control centre will, after taking a fair and reasonable view, decide whether **your vehicle** should be repaired abroad for **you** (or someone nominated by **you**) to return and collect.

Authority for repatriation or repair

If **your vehicle** is not able to be driven due to a road traffic **accident**, fire, break-in or theft, any damage which **you** are entitled to have repaired by **your** motor insurers must be reported to them immediately. **Your** insurer must decide whether to declare the **vehicle** is a write-off, authorise repair abroad or have the **vehicle** repatriated. **We** cannot repatriate the **vehicle** unless **your** insurers first give their permission.

We also reserve the right to negotiate with them to reclaim costs incurred. If **your** insurers cannot or do not give permission to repatriate then it is **our** decision alone whether to declare the **vehicle** a write-off, or repatriate or repair locally a **vehicle** which cannot be driven as a result of a **breakdown**, or as a result of a road traffic **accident**, fire or theft, for which **you** do not have fully comprehensive cover.

Additional services

We will pay for the costs of providing the following if applicable:

Vehicle break-in, emergency repairs

We will pay:

The cost of immediate emergency repairs, up to £175, necessary to make **your vehicle** secure in the event of damage to windows, locks or windscreen caused solely by forcible entry, or attempted forcible entry provided **you** report the matter to the police either before contacting **us** or within 24 hours of contacting **us**, and **you** have obtained a written report or crime reference number from the police.

We will not pay for:

- The cost of repairs if they are not to make **your vehicle** secure and for the reasons stated;
- Any repair costs if **you** do not obtain a police report or crime reference number and submit it with **your claim**;
- Repatriation benefits as described under the section entitled '**vehicle** repatriation.'

Spare parts dispatch

If as a result of a **breakdown your vehicle** needs parts but these are unavailable locally **we** will if necessary pay for:

- Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally; and
- The fare for one person to collect parts from the appropriate railway station or airport.

We will not pay for:

The cost of parts themselves, which must be paid on receipt. When telephoning the **RAC** control centre **you** will be asked for **your** credit card details. Alternatively **you** will be asked to pay for the part(s) direct to the repairer.

Accidental damage to or loss of tent

We will pay:

A contribution to accommodation expenses of up to £30 per person per day if during the **period of cover you** are camping and **your** tent is damaged accidentally making it unusable, or it is stolen. Alternatively, **we** may at **our** option authorise the cost of a replacement tent. If **your** tent is stolen **you** must report the theft to the police within 24 hours and obtain a written report or crime reference number.

We will not pay for:

- The cost of meals or any other costs that are not specified above;
- Damage caused by weather conditions;
- The cost of a replacement tent not authorised by **us**;
- Any costs if **your** tent was stolen and **you** do not report the theft to the police within 24 hours and obtain a written report or crime reference number.

We will pay for:

The cost of relaying urgent messages from the appropriate **RAC** control centre to **your** immediate relatives or close business associates if the **vehicle** cannot be driven because of **breakdown, accident** or fire or it is stolen.

We will not pay for:

- The cost of non urgent messages or messages to persons not described in the previous paragraph;
- The cost of relaying any urgent message not arranged through the appropriate **RAC** control centre.

Replacement driver

We will pay for:

The cost of providing a replacement driver to drive **your vehicle** and **your party** to **your** destination or **home**, if a registered doctor declares **you** medically unfit to drive and **you** are the only qualified driver.

We will not pay:

- Replacement driver cost if there is another qualified driver in **the party** who is fit to drive;
