

How we use your personal information and who we share it with

This notice contains important information about the use of **your** personal information. Please make sure that **you** read this notice carefully. In this notice **we** and **us** and **our** means Insure the Box Limited, Tesco Personal Finance plc, trading as Tesco Bank, and any holding companies, subsidiaries or linked companies.

'Personal information' means any information given to **us** about **you**, by **you** or anyone else in connection with the particular service or product that **we** are providing to **you**. By taking out this Tesco Bank Box Insurance policy, **you** confirm that **we** may use **your** personal information in the ways outlined in this notice. As the terms of this notice will also apply to anyone else insured under **your Policy**, **you** should also show this notice to anyone else whose personal information **you** give to **us** and ensure that **you** have their consent to provide their personal data, including sensitive personal data, where necessary, in connection with **your** insurance policy.

Your privacy is very important to **us**. **We** promise to respect and protect **your** personal information and try to make sure that **your** details are accurate and kept up to date. **You** should let **us** know whenever **your** personal details change.

How we use your driving information

The telematics **in-tele-box** fitted to **your car** collects a wide range of driving information and **we** understand that customers may be concerned about how this information will be used. **We** are committed to keeping **your** driving information safe and confidential:

- **we** will use your driving information to encourage **you** to drive safely, for example, by awarding **Bonus Miles** each month to safe drivers.
- **we** will use your driving information to help us reduce fraud, by checking if another driver is making a false claim against **you**, or if **you** are making a false claim
- **we** will only share **your** driving information with **our** trusted business partners
- **we** will not release **your** driving information to the police or to any civil authorities unless **we** have **your** permission or **we** are required to do so by law, or **we** suspect fraud or attempted fraud
- **we** will not refuse **your** claim simply because **you** were driving above the legal speed limit
- **we** will stop recording **your** information if **you** sell **your car** or if **your Policy** is cancelled.
- **we** will use **your** driving information to help **us** calculate **your** renewal **premium**.

The Police and certain statutory and/or authorised bodies may request information collected via the telematics **in-tele-box** in connection with road accident investigations and the prevention or detection of crime. Such information may currently only be obtained by these organisations via an application to the Courts and **we** will not provide any information to these organisations except when subject to a Court Order or with **your** consent.

By purchasing this **policy**, the **policyholder** has confirmed that all named drivers have been made aware that driving data relating to all drivers will be available to view on the Customer Portal.

How we use your personal information

We will use personal information which has been given to **us** to manage **your** insurance **policy** and other Tesco Bank Box Insurance products, including handling underwriting and claims and issuing **policy** renewal documents to **you**. These activities may involve **us** releasing personal information to other Insurers, regulatory authorities or agents providing services to **us** or on **our** behalf. Some of

these agents may be based outside the EEA but **we** will make provision for **your** personal information to be protected whilst being transferred to and processed in these countries.

We may use **your** personal information and the information about **your** use of **our** products and services to carry out research and analysis about **our** products and services, as well as to service **your** needs in connection with **your Policy**. **We** may use e-mail, telephone, post or SMS to do this.

To assess **your** insurance application and the terms on which cover may be offered, and to process claims and maintain **your Policy** during the period of insurance **we** may obtain information about **you**, all drivers named on **your Policy** and any person who may be paying **your Premiums**, from credit reference agencies, fraud prevention agencies and databases. **We** may also check **your** and any other drivers' credit status, identity, driving licence and claims history from other sources, including the DVLA and the Claims and Underwriting Exchange (CUE). The agencies will record **our** enquiries. Where a credit check is made this will leave a 'footprint' on your record with that agency, and may leave a record that could be seen by other lenders.

However, should **you** fail the credit reference checks it is unlikely **you** will be offered the option to pay by instalments on **your** motor insurance **Policy** and the **Policy** will be cancelled in accordance with Section 12.6 and Section 12.7 of **your** Private Car Policy Document. In this instance, **you** may be allowed to purchase another **policy** but **you** will be required to pay the full premium in one payment.

Marketing purposes

If **you** would like to change **your** marketing preference please call the Customer Services Line shown on **your Policy** documents. **You** may contact **us** at any time to give notice to stop data being used for marketing purposes.

We may release **your** personal information to others:

- if **we** need to do this to manage **your Policy** with **us** (as set out above)
- in connection with any research or analysis that **we** are carrying out (as set out above)
- where **we** need to do so in order to prevent fraud (as mentioned below)
- if **we** are required or permitted to do this by law (for example, if **we** receive a legitimate request from the Police or another authority)
- in other circumstances where **you** have given **your** permission.

If **we** change the way that **we** use your personal information, **we** will write to **you** to let **you** know. If **you** do not agree to that change in use, **you** must let **us** know as soon as possible.

Monitoring and recording calls

We may monitor or record telephone calls to improve **our** service and to detect and prevent fraud.

Motor Insurance Database

Information relating to **your** insurance **Policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing
- continuous Insurance Enforcement
- law enforcement (prevention, detection, apprehension and or prosecution of offenders)

- the provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.

If **you** are involved in a road traffic accident (either in the UK, the EEA or certain other territories), the insurers and/or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID **you** are at risk of having **your** vehicle seized by the Police. **You** can find out more about the MID at www.mib.org.uk and you can check that **your** correct registration number details are shown on the MID at www.askmid.com

Claims history

The aim of these is to help **us** to verify information provided and to prevent fraudulent claims. When **we** deal with a quotation for insurance, **we** may search these registers.

The conditions of **your Policy** specify that **you** must tell **us** about any incident (for example, accident or theft) which may or may not give rise to a claim. When **you** inform **us** about such an incident, **we** will pass this information to the registers. **We** may search these registers when **you** apply for insurance, in the event of any claim or incident, or at renewal of **your Policy** to verify either **your** claims history or that of any other person or property likely to be involved in **your Policy** or claim.

Dealing with others on your behalf

To help **you** to manage **your** insurance policy, **we** will deal with **you** and/or any other person whom **you** have nominated and **we** have accepted to be acting for **you**, if they call **us** on **your** behalf in connection with **your Policy** and answer **our** security questions.

Sensitive information

Some of the personal information that **we** ask **you** to provide may be sensitive personal data, as defined by the Data Protection Act 1998. Sensitive personal data may include information relating to **your** health, race, religion and any criminal convictions that **you** have. **We** will only use sensitive personal data about **you** for the specific purposes of dealing with **your Policy** and to provide the services described in **your Policy** documents.
