### Declaration

I confirm I want to lapse my renewal.

I confirm my understanding that this action will:

- End my policy on the renewal date, meaning Tesco Bank will no longer insure this car / home / contents from my renewal date.
- If I still have my vehicle, I must make alternative insurance arrangements, otherwise I could face a penalty. It is an offence not to have valid insurance unless I have made a Statutory Off-Road Notification (SORN) to the DVLA (Car insurance only).
- I must destroy the Certificate of Insurance as the policy is no longer valid (car insurance only).

### Disclaimer

By submitting this form, you are confirming that the information contained is correct and your policy will not be renewed.
