## Our Pricing Policy

The APR and interest rates we offer are determined by an analysis of your application details along with your credit and repayment history (as verified by independent credit reference agencies). This analysis may mean that you don't receive the advertised representative APR as detailed in the Summary Box below. Over half of our customers will receive our advertised representative APR. If you don't receive the representative APR, the maximum APR you will receive is

<b>Interest Charging Information</b>	You will not pay interest on new purchases if you pay your balance in full and on time. Otherwise, the period over which interest is charged is as follows:		
	<b>From</b>	<b>Until</b>	
	<b>Purchases, Cash withdrawals, Cash transactions, Balance transfers and Money transfers</b>	From date debited to your account	Until repaid in full <sup>1</sup>
	If the account is not fully cleared, interest will be charged on the average daily balance until full payment is made and credited to your account. Therefore, the longer you take to make a payment, the more interest will be charged. <sup>1</sup> If you pay the balance in full, any interest charge for the period from the previous statement to the date of full repayment will be debited the following month.
