Information on borrowing more

Whether you're looking to make improvements to your home, changing the family car or thinking about other special purchases, if you have a residential mortgage with us, you could apply to borrow up to 95% of the value of your home (including your existing mortgage) on additional borrowing rates with no application, completion or valuation fees to pay.

If you'd like to apply to borrow more

- You'll need to speak to one of our qualified Mortgage Advisers.
- With a Tesco Bank Mortgage you can apply for additional borrowing after you've made six consecutive monthly payments.
- The minimum amount you can borrow is £5,000 and fees may apply.
- We'll need to check you can afford to repay any additional borrowing.
- We'll also need to check that it won't increase your total mortgage borrowing above our maximum loan to value or increase your mortgage term.
- Additional borrowing will increase the total amount you owe, the interest payable and your monthly payments.
- The minimum term for additional borrowing is 3 years and the maximum term is 40 years.
Your Mortgage Adviser will provide you with more information on this, should you wish to make an application.
- All applications are subject to status and lending criteria.
