Interest Free Period	<ul style="list-style-type: none"> Maximum days for purchases if you pay your balance in full and on time, and have paid the previous month's balance in full and on time. There is no interest free period on cash withdrawals, cash transactions, balance transfers or money transfers. 		
Interest Charging Information	You will not pay interest on new purchases if you pay the full balance on your last statement by your payment due date. Otherwise, the period over which interest is charged is as follows:		
	From	Until	
	Purchases, Cash withdrawals, Cash transactions, Balance transfers and Money transfers	From date debited to your account	Until repaid in full [†]
	If the account is not fully cleared, interest will be charged on the average daily balance until full payment is made and credited to your account. Therefore, the longer you take to make a payment, the more interest will be charged. If you pay the balance in full, any interest charge for the period from the previous statement to the date of full repayment will be debited the following month.		
Allocation of Payments	If your account is in arrears, we'll clear these first (starting with the oldest) before paying off the amount due from your most recent statement. When you pay us, we use the money to pay off the items with the highest interest rates first. If there is more than one item at the same rate, we pay off the item at the rate that ends first. For further details, please refer to section 6. Paying off your balance, of the general conditions.		
Minimum Repayment	Your minimum payment will be the greater of: <ul style="list-style-type: none"> the total of all interest and default fees charged on your statement plus 1% of the new balance shown on your statement plus any arrears carried over from your previous statement; or £25 plus any existing arrears carried over from your previous statement (or your full balance if it's less than £25); or the amount you owe over your credit limit including any over limit fees; or double the total of all interest and default fees charged on your statement, plus £5, plus any arrears carried over from your previous statement. If you only make the minimum payment it will take longer and cost more to clear your balance. We can change your minimum payment if we believe that you are likely to enter, are in, or have been in persistent debt.		
Credit Limit	Minimum credit limit	£100	
	Maximum credit limit	Subject to status.
